Vincent Quêne

Video maker · Editor · Motion designer

Meudon, Paris area vincent@cabinet26.com vincentimes.fr LinkedIn IMDb

Profile

Video maker trained at ESRA Paris, specialised in editing and post-production. I direct, edit and host **"toonesque."**, a video channel about animation culture. Equally comfortable behind and in front of the camera. Available for freelance work or a permanent position.

Experience

Freelance video maker – Motion designer · cabinet26
04/2024 – present

- Motion design videos for the restaurant "O'Saveurs Braisées" (Meudon-la-Forêt).
- Direction and post-production of music videos and trailers for artists: Y40i ("yeah yeah", "blood blood blood"), Caligosto & Don Skellington ("The Recipe").
- Production and monetisation of video content on YouTube, Instagram and TikTok.

Vice-president – Editor-in-chief · LUDOKINO (non-profit media)
08/2024 – present

- Editor (08/2024), then editor-in-chief and head of post-production (09/2025), then vice-president (04/2026).
- Writing, editing and post-production of the shows (OMNIBUS) and other content (over 2,000 YouTube subscribers).
- Live event for the Nintendo Switch 2 launch in France: over 1,500 concurrent viewers and featured on the Twitch homepage.
- Press coverage of events (Star's Up in Meudon and Paris Audio Video Show in 2025, Japan Expo and the first LUDIVERSE in 2026), on-camera hosting.
- Created and hosted the tech show arka-TECH (PSP episode: over 15,000 views on YouTube).
- Social media management and design of the website ludokino.net (AI-assisted development).

Founder – Director and host · toonesque. (video channel about animation)
2018 – present

- Writing, shooting, on-camera hosting, editing and colour grading for a channel making animation culture accessible (YouTube, TikTok, Instagram, X).
- Several formats: commentary and video essays, interviews, fact-based shorts (toonflakes), recommendations (TOONFLASH) and live streams (le débrief).
- Over 1,000 YouTube subscribers, over 2,800 followers across platforms (YouTube, TikTok, Instagram, X) and over 240,000 total views.

Freelance video editor and videographer · SEFA Event / Japan Expo (via cabinet26)
02/2026 – 07/2026

- Japan Expo Sud (Marseille): on-site shooting for social media, published the same evening ("J-1", "Jour 1", "Jour 2", "Jour 3", "Sayonara Bye Bye").
- Japan Expo Paris 25th anniversary: edited 3 themed best-of films from 25 years of archives and assembled the 2h24 loop shown on the anniversary stand.
- 4 stage souvenir videos for Japan Expo Paris, delivered in a stage version and a YouTube version.

Stage manager, assistant director and DJ set · Sauvage Galerie 2 – Noir Pastel (artists collective)
03/2025 – 09/2025

Director of the video interview with Étienne Guignard · Cartoon Fantasy (website)
2021

Specialist, then Training Lead · Apple Retail France (Vélizy 2)
08/2019 – 02/2025

- Temporary transfer to the Apple Store Marché Saint-Germain (Paris) during the Vélizy 2 store works (05/2023 – 07/2023).
- Training Lead (08/2023 – 01/2024): training follow-up, written and video reports, team supervision.
- Customer advice and technical lead; ran Today at Apple sessions and Apple Vision Pro demos.
- Videos for the opening of the Apple Store Parly 2 (04/2024).

Post-production assistant (internship) · NOSIDE (Paris)
05/2015 – 07/2015

- Editing and visual effects for the project "Internet de l'Époque" (25 million views on YouTube).
- Editing and post-production of advertising campaigns (CIC, Pyrex, Samsung); shooting and colour grading.
